

## IF WE LOSE TEXAS, WE LOSE AMERICA!

The 2014 elections are the most important elections Texans have ever faced. Texas voters are all that's standing in the way of America going LIBERAL, which is why the Obama-machine, George Soros-funded Battleground Texas, has set up shop in every corner of our state.

YOUR VOTE is essential. Election Day is March 4; Early Voting February 18 thru 28.

The 2014 election is especially important for Republican voters, who I hope will VOTE YES on 6 non-binding resolutions:

- Texans should be free to **express their religious beliefs**, including prayer, in public places.

- Texas should support **Second Amendment** liberties by expanding locations where concealed handgun license-holders may legally carry.
- Texas should **abolish the state franchise tax**, also known as the margins tax, to encourage business growth.
- Texas recipients of taxpayer-funded public assistance should be subject to random **drug testing** as a condition of receiving benefits.
- All **elected officials** and their staff should be subject to the **same laws, rules, regulations, and ordinances** as their constituents.
- The Affordable Care Act, also known as “**Obamacare,**” **should be repealed.**

Let's continue to work together to KEEP TEXAS CONSERVATIVE, so that our children and grandchildren can enjoy to the fullest extent Life, Liberty and Property proclaimed in our Declaration of Independence.

Blessings,

Cathie Adams, president
