

WHEREAS: It is of fundamental importance that Texas not be reliant on Washington D.C. to be prepared in times of crisis; and

WHEREAS: Threats of cyber terrorism and economic warfare continue to grow and have the potential to greatly harm Texas ; and

WHEREAS: The fiscal policy at the federal level continues to lend itself to possible severe economic consequences which would severely impact the Texas economy; and

WHEREAS: Protection of the Texas electric grid continues to be a high priority considering the loss of power could have catastrophic effect on Texas' citizens and economy.

THEREFORE, BE IT RESOLVED: That the Republican Party of Texas calls upon the Texas legislature to enact legislation which would create a Fiscal Risk Management Commission which would create contingency plans in case of an emergency impacting cyber, fiscal, or grid security.

Adopted this \_\_\_\_\_ day of March, 2018, at the Precinct Convention of Precinct # \_\_\_\_\_ of the Republican Party of Texas.
