

## **Protect Life Resolution**

**Whereas**, human life should be protected from conception until natural death; and

**Whereas, human** life should be protected which includes protecting the unborn from abortion, fetal tissues experimentation, and embryonic research; and

**Whereas**, abortion is the ultimate form of discrimination targeting babies of a certain race, sex, or diagnosed disabilities; and

**Whereas**, abortion devalues women, harming their mental, emotional, spiritual, and physical health and is robbing our nation of generations of women and men who could be our future leaders and policymakers; and

**Whereas**, murder is the unlawful killing of a human being, and according to the Unborn Victims of Violence Act of 2004, an embryo or fetus in utero is a member of the species Homo sapiens, at any stage of development; therefore, the unborn child has a fundamental right to life which cannot be extinguished;

**THEREFORE, BE IT RESOLVED**, that we enact laws protecting innocent human life including protecting the unborn from abortion, fetal tissue experimentation, and embryonic research and society from euthanasia, cloning, population control and human genetic engineering; and

**BE IT FINALLY RESOLVED**, that a copy of this resolution be sent to the \_\_\_\_\_ County or Senate District # \_\_\_\_\_ Convention Resolutions Committee from Precinct \_\_\_\_\_ with the recommendation that it be passed and sent to the State Convention Platform Committee of the \_\_\_\_\_ Party of Texas.
